

The CYCA's 2019 Change of watch was held Saturday October 26<sup>th</sup> @ The Miles River Yacht Club, just off of Long Haul Creek in St. Michael's, Md. What a beautiful club and setting for our end of the season event. We had 2 boats show up for this event. Can't end boating season too soon!

The evening events were held in the Trophy room, which was a lovely room for our evening. We started off with cash bar cocktails, amazing appetizers and bidding on the silent auction items, which were donated by the officers and governors. It was something a little different than our normal 50/50. This was followed by a wonderful meal and dessert.

R/C Rich Beckwith did a great job in making all the arrangements for a wonderful evening. Thank you Rich for your hard work!

Commodore Stephen Meloy recognized officers and board. He thanked them for their service and presented them with gifts.

P/C Jon Lines conducted the election and installation of officers and governors for the 2020 season. Congratulations to all.

V/C Art McClellan presented the spirit award to Dutch & Nancy Schwertner, they were every surprised. Congratulations to the two of you for your enthusiasm for your boat and our club.

Next up the silent auction items were given out to the highest bidders. The club made a little over \$400.00 (WOW).

I would like to take this opportunity to say "Thank you" to Stephan Meloy for the wonderful job you did as our 2019 commodore, also to your beautiful wife Bonnie for the wonderful gifts and presentation.

This whole evening is what this club is all about, getting together with amazing people and enjoying what being a member has to offer.

As your 2020 Fleet Captain I am looking forward to hearing your ideas for the upcoming rendezvous season. Please feel free to contact me if you would like to volunteer to host an event.

Thank you
